

Prisma

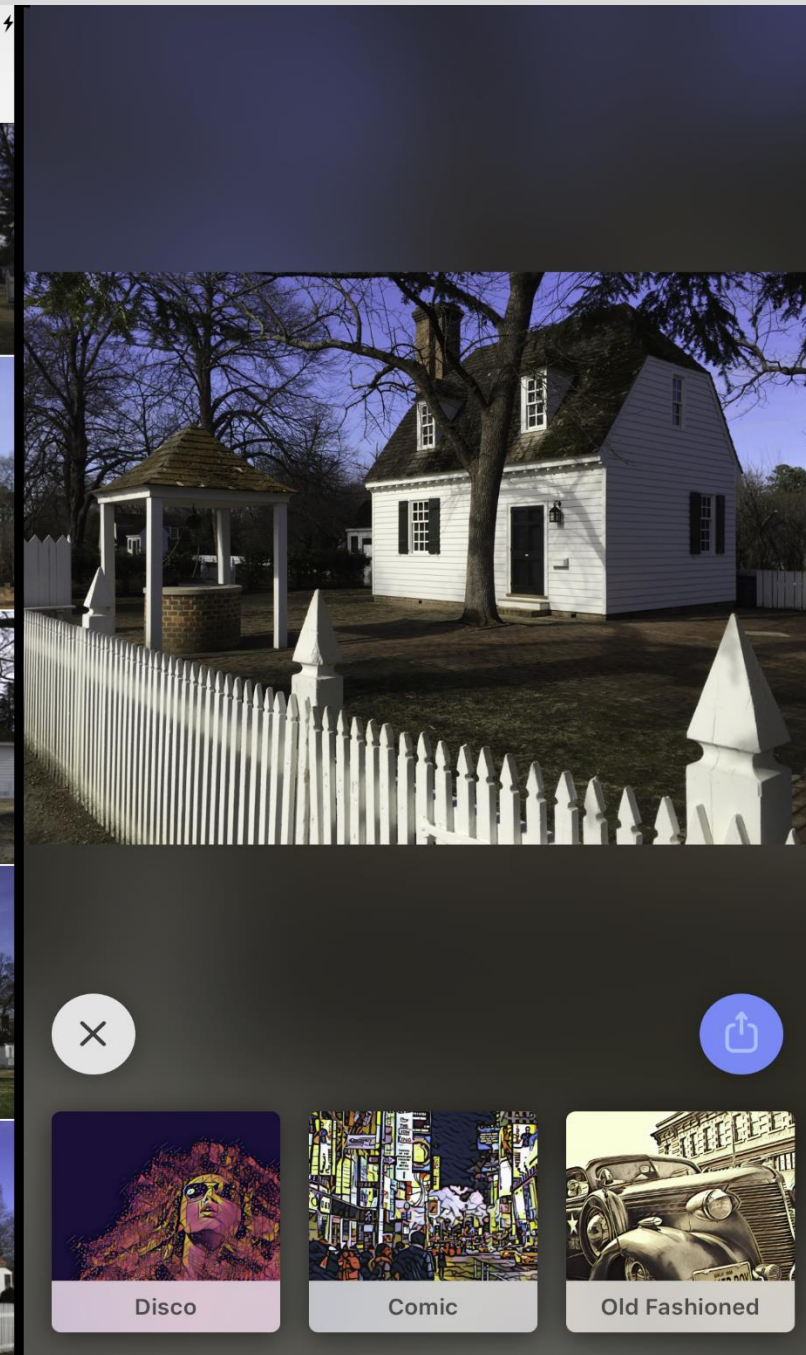

- Google product
 - Apple Store or Google Play
 - Free
 - Adds filters to photos
-
- ✓ Take photos from app
 - ✓ Take selfies from app
 - ✓ Import images from PC/MAC
 - ✓ Export to Facebook, Instagram, twitter, eMail, printer, contacts and more
-
- Can't add additional filters
 - Image size is small

How Does It Work?

- Click app icon from phone
- App launches
- Take a new photo or upload from Camera roll
- Browse through images and click one to select
- Apply filter
- If you like the look, Save or send or both
- If you don't like the look, try another filter.

- It's that easy
