NOTES

remember ... think about ... come back to

Notes while Walking Around

I would like to stay here ... Who do I contact ... What was that number

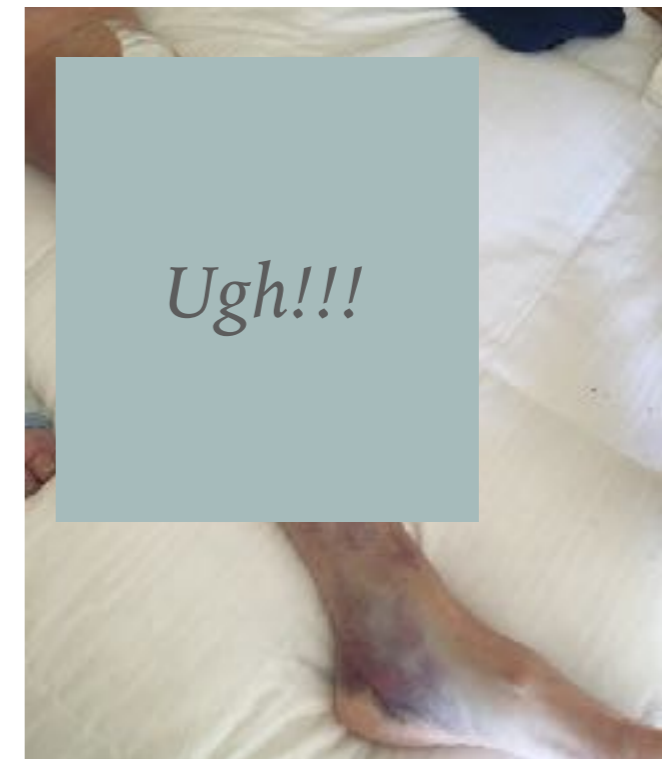

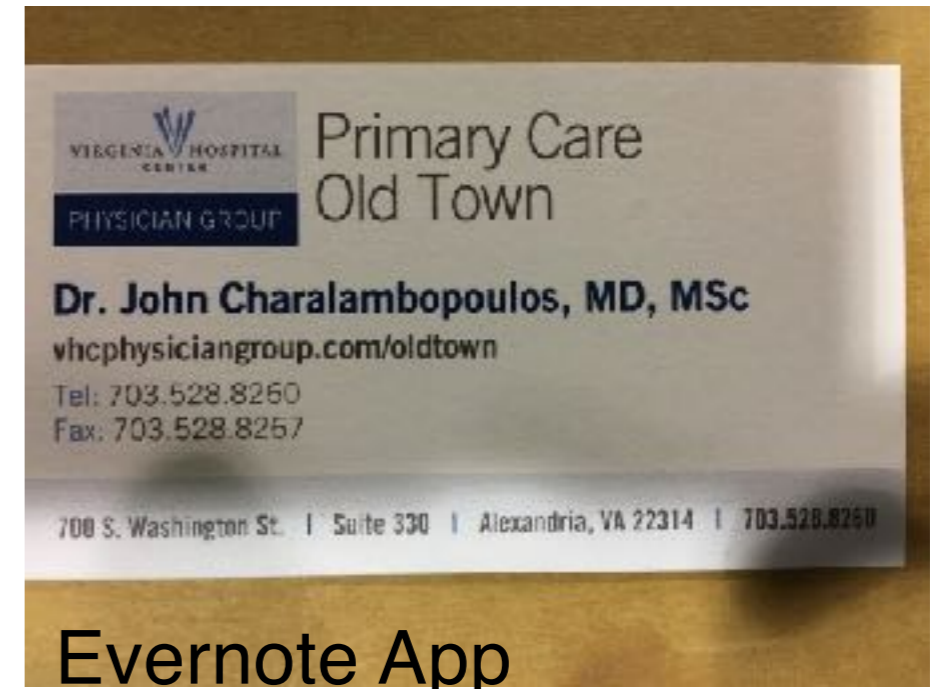

PROOF

It is valuable to me and I left it here for you to ...

REPAIRS

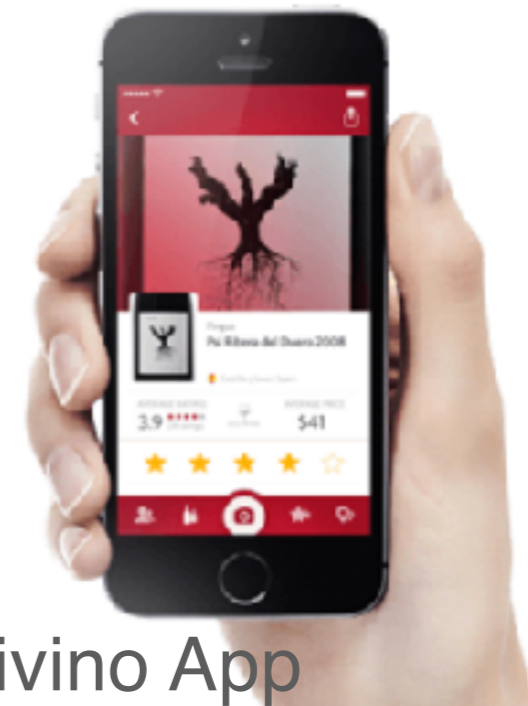

Part numbers, serial numbers, MAC numbers, telephone service numbers ... capturing them, remembering them and having them with me when I need them

MEDICAL

What medications are you taking and what dosages, how long? Does the surgeon need to see me?

Who should we send information to?

Vivino App

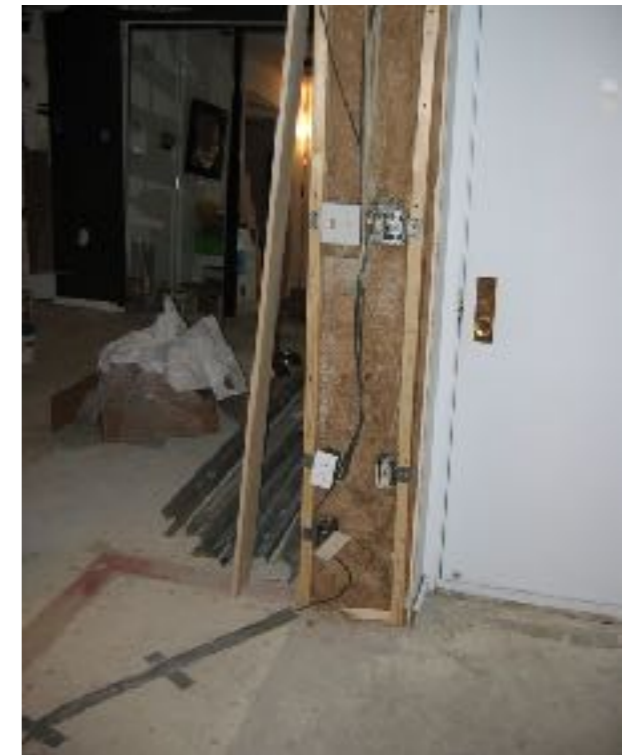

WINE AND OTHER BEVERAGES

Remember it, spell it, compare it, order it

REAL ESTATE INVENTORY

Before you buy and later in the cabinets, in the closets and around the rooms

CONSTRUCTION

Before, after, where are the pipes, where is the electrical

HOA REPORTS

Research, document, report, communicate, contract, build, compare
